Umbau Verlag, Germany, 2010. Paperback. Condition: New. Language: English. Brand new Book. Twelve Lectures on Architecture is a profound philosophical work presented as a set of architectural lecture notes. It reads very easily, explaining why certain buildings and places speak to our hearts, thus illuminating many of our old assumptions about taste. Salingaros establishes, using biology, why traditional architecture is perceived intuitively by most people as more natural and life-affirming than modernist architecture. A deep malaise of contemporary society is...
